

THE WATERSIDE

— Pub & Dining —

Imperial Wharf has a rich history rooted in maritime heritage. Once a humble hub of shipping and industry, it has evolved into the picturesque neighbourhood you see today.

Amidst this history, The Waterside emerged as Imperial Wharf's beloved local, serving up great food, great brews, and great views. It's a place where stories of the river and the community blend seamlessly, embodying the essence of Imperial Wharf's evolution over time.

Welcome to The Waterside
